UNIFORM COMPLAINT PROCEDURES

(5 CCR 4622, E.C. 35186)

Board Policy 1312.3

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The district shall investigate and seek to resolve any complaints alleging failure to comply with such laws and/or alleging unlawful discrimination, harassment, intimidation, or bullying in accordance with the uniform complaint procedures.

The District shall follow uniform complaint procedures to resolve any complaint alleging unlawful discrimination, harassment, intimidation, or bullying in district programs and activities based on actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Penal Code 422.55, or Government Code 11135, or based on association with a person or group with one or more of these actual or perceived characteristics.

Uniform complaint procedures shall also be used to address any complaint alleging the district's failure to comply with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities, the requirements for the development and adoption of a school safety plan, and state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs.

The Board prohibits any form of retaliation against any complainant in the complaint process. Participation in the complaint process shall not in any way affect the status, grades, or work assignments of the complainant.

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with the uniform complaint procedures, whenever all parties to a complaint agree to try resolving the problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

In investigating complaints, the confidentiality of the parties involved and the integrity of the process shall be protected. As appropriate for any complaint alleging discrimination, harassment, intimidation, or bullying, the Superintendent or designee may keep the identity of a complainant confidential to the extent that the investigation of the complaint is not obstructed.

The district's Williams uniform complaint procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to the following:

1. Sufficiency of textbooks or instructional materials
2. Emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff
3. Teacher vacancies and misassignments
4. Deficiency in the district's provision of instruction and/or services to any student who, by the completion of grade 12, has not passed one or both parts of the high school exit examination

Administrative Regulation 1312.3

Except as the Governing Board may otherwise specifically provide in other Board policies, the uniform complaint procedures shall be used only to investigate and resolve complaints alleging violations of federal or state laws or regulations governing specific educational programs, the prohibition against requiring students to pay fees, deposits, or other charges for participating in educational activities, and unlawful discrimination, harassment, intimidation, or bullying, as specified in accompanying Board policy.

The district's uniform complaint procedures policy and administrative regulation shall be posted in all district schools and offices, including staff lounges and student government meeting rooms. If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning uniform complaint procedures shall be translated into that language. (*Education Code 234.1, 48985*)

 - f. Copies of the district's uniform complaint procedures are available free of charge.

Procedures

All complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of the district's alleged noncompliance with federal or state laws or regulations governing educational programs. (5 CCR 4630)

A complaint concerning unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation, or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged discrimination, harassment, intimidation, or bullying occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. However, upon written request by the complainant, the Superintendent or designee may extend the filing period for up to 90 calendar days. (5 CCR 4630)

A complaint alleging noncompliance with the law regarding the prohibition against requiring students to pay student fees, deposits, and charges may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance. (Education Code 49013)

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Step 2: Mediation

Within three business days of receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging discrimination, harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR 4631)

Step 3: Investigation of Complaint

Within 10 calendar days of receiving the complaint, the compliance officer shall provide the complainant and/or his/her representative an opportunity to present the complaint and any evidence, or information leading to evidence, to support the allegations in the complaint. The compliance officer also shall collect all documents and interview all witnesses with information pertinent to the complaint.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision, as described in Step #5 below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

Step 5: Final Written Decision

The district's decision shall be in writing and sent to the complainant. (5 CCR 4631)

The district's decision shall be written in English and, when required by Education Code 48985, in the complainant's primary language.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered
2. The conclusion(s) of law
3. Disposition of the complaint
4. Rationale for such disposition
5. Corrective actions, if any are warranted
6. Notice of the complainant's right to appeal the district's decision within 15 calendar days to the CDE and procedures to be followed for initiating such an appeal

In addition, any decision concerning a discrimination, harassment, intimidation, or bullying complaint based on state law shall include a notice that the complainant must wait until 60 calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. (EC 262.3)

If investigation of a complaint results in discipline to a student or an employee, the decision shall simply state that effective action was taken and that the student or employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges is found to have merit, the district shall provide a remedy to all affected students and parents/guardians, which, where applicable, shall include reasonable efforts to ensure full reimbursement to them. (EC 49013)

Appeals to the California Department of Education

If dissatisfied with the district's decision, the complainant may appeal in writing to the CDE. (EC 49013; 5 CCR 4632)

The complainant shall file his/her appeal within 15 calendar days of receiving the district's decision and the appeal shall specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision

4. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's uniform complaint procedures
7. Other relevant information requested by the CDE

The CDE may directly intervene in a complaint without waiting for action by the district when one of the conditions listed in 5 CCR 4650 exists, including when the district has not taken action within 60 calendar days of the date the complaint was filed with the district. (5 CCR 4650)

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.

For complaints alleging discrimination, harassment, intimidation, and bullying based on state law, a complainant shall wait until 60 calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies, provided the district has appropriately and in a timely manner apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622. The moratorium does not apply to injunctive relief and to discrimination complaints based on federal law. (EC 262.3)
