RESOURCE SPECIALIST PROGRAM TEACHER

Definition:

A certificated person who provides a basic learning and functional program of support services for mildly learning handicapped students in a Resource Specialist Program setting, encompassing basic learning skills, basic subject skills, social competence and emotional needs of each student.

Responsible To:

School Principal and Coordinator of Special Education

Major Duties and Responsibilities:

1. Teaches learning handicapped students in a Resource Specialist Program setting, the basic learning and functional skills commensurate with the emotional, physical and intellectual development of the student.
2. Interprets the abilities and needs of the learning handicapped child to affected regular classroom teachers and the entire staff, when appropriate.
3. Develops Individual Educational Plan (IEP) for each student.
4. Confers frequently with parents/guardians and staff members regarding the educational, social, and behavioral needs of the student.
5. Maintains attendance and assessment records necessary to the progress of the students; maintains records necessary to comply with state and federal regulations.
6. Trains, supervises and confers with an assigned Special Education classroom aide.
7. Orders supplies and equipment for remedial instruction.
8. Attends in-services and meetings, as required.
9. Serves as a member of the Student Study Team, as needed.
10. Perform other duties as may be assigned.

Minimum Qualification:

1. Valid California Resource Specialist Program Credential
