

*Learning from Home Parent Survey 2020***Fallbrook Union Elementary School District**

With school buildings now closed due to COVID-19, a distance learning program is being provided to your child to ensure there is continued instruction from home. This survey is an opportunity to communicate your perceptions about the distance learning program and your child's experience with home instruction. It deals with such issues as student work habits that affect learning, their social and emotional needs, and parent concerns at home. This letter explains the survey and, at the bottom of the page, provides access instructions.

You will have access to this online survey beginning Monday, May 18th - Friday, May 29th.

Your participation is voluntary. It is also very important. Your opinions are important and the school is interested in hearing them to best address the needs of your children and family to enhance learning supports and improve student achievement.

- **This is an anonymous survey.** It is designed so that no one can be identified from the data.
- **The results are for the use of your child's school and Fallbrook Union Elementary School District.** The California Department of Education and WestEd will preserve data confidentiality and refer any data requests to the district.

INSTRUCTIONS FOR ACCESSING THE SURVEY

If you have more than one child at this school, you will only need to complete one survey for the school. If you have children at multiple schools, please complete each school's survey.

Access your school's survey using the following URL:
