School Description

Fallbrook Homeschool/Virtual Academy (FHA/FVA) provides two at-home educational learning options for the Fallbrook Union Elementary School District community. Our programs provide state-of-the-art online learning experiences as an alternative to classroom learning. These programs offer a tailored home-based learning program to fit both the student and their family's lifestyle.

- Fallbrook Homeschool (FHA) is an innovative, flexible option for parents who want to be a co-educator for their K-8th grade student. Our focus is on “creating leaders every day.” Our 100% at-home education for K-8th grade supports the parent as the primary educator. This rigorous academic program and successful parent/teacher partnering has contributed to our students' success by providing teacher advisers, parent teacher trainings, and student materials with online teacher resources for parents. Our internet based program offers a variety of courses and curriculum that support the parent as a co-educator to provide one-on-one instruction at home with a flexible learning schedule set by the parent. FHA students are becoming leaders with strong family and community support, the outstanding expertise of our staff, and a shared commitment to at-home learning!
- Fallbrook Virtual Academy (FVA) offers 100% home-based Tk-8th grade learning led by classroom teachers. This program offers a consistent daily schedule with teacher interactive instructional blocks. We offer live online teaching daily while providing learning materials to support independent work/or hands-on learning experiences in the home. The Virtual Academy offers academic excellence by empowering students to take ownership for their academic achievements and encourages them to develop a curiosity that will lead them to a lifetime of learning. It is a place that embraces students do not need to wait until they are adults to be leaders and focuses on creating a student-centered online environment that allows them to make real-world connections. At the Fallbrook Virtual Academy, we have identified three priorities that are woven into every action, every calendar, and every lesson: academic excellence, student leadership, and STEM learning.

FHA Mission Statement

The mission of the Fallbrook Homeschool Academy is to provide educational alternatives through a professionally supported independent study program. We believe all students can learn and we provide educational options tailored to the needs of the families and students in our community. We are dedicated to providing opportunities for students to achieve academically and socially thus enabling them to become lifelong learners and responsible members of an ever-changing society.

FVA Mission Statement

The mission of the Fallbrook Virtual Academy is to offer an online, home-based educational opportunity where students are supported in achieving their unique dreams and goals through interest-based personalized learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Textbooks are recommended by District academic committees which have representation from all school sites. A public review of proposed adoptions is advertised, and community members are invited to participate in this process. All students are assigned adopted textbooks. In Fallbrook Union Elementary School District each pupil, including English learners, has access to his or her own copy of the standards-aligned textbooks (approved by the State Board of Education) and instructional materials in the core curriculum areas of reading/language arts, math, science, and history-social science to use in class and to take home. All textbooks are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Visual and performing arts are taught to all students through integrated lesson plans during regular curriculum instruction.

School Facility Conditions and Planned Improvements (Most Recent Year)

Fallbrook Homeschool Academy is housed at La Paloma Elementary School and the Fallbrook Virtual Academy is housed at Maie Ellis Elementary. All classrooms, library, offices and staff lounge have upgraded technology and internet access. The Facilities Department has systems in place to maintain a safe and orderly campus. Detailed cleaning schedules as well as major maintenance life cycle plans for items such as hvac, roofs, flooring and mechanical systems are utilized. District maintenance staff ensures that the maintenance necessary to keep the school in good repair is completed in a timely manner. A Facilities Management system is used to ensure safety related repairs are given high priority. A facility assessment is done annually to identify and prioritize potential facility improvements. All areas of deficiency listed below have been corrected or remedial action is planned. FIT reports from the La Paloma and Maie Ellis may be reviewed in their individual SARCs. The School Facility listed below reflects the La Paloma FIT information.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: 11/19/2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	Several ceiling tiles need replacement. A tackable wall surface needs repair. Cove base needs replacement.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	Receptacle outlets are loose. A light switch was not working.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	A faucet has low pressure and a sink has a slow leak. A sink is slow to drain, needs to be cleared.
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	Dry rot at a soffit needs repair. A few areas have minor roof leaks, needing repair.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	A trip hazard near a door needs to be removed. Window blinds would not open in a classroom.
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	96	N/A	53	N/A	50	N/A
Math	67	N/A	43	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Fallbrook Homeschool/Virtual Academy is committed to working with our parents to extend and enrich the school experience for all students. We believe in providing parents and families with regular communication through our school website, Peachjar flyers, "all calls," social media feeds, and teacher office hours. As a school that offers two distinct school programs, parents are an integral part of the school, as they are responsible for the home learning environment, whether it be through independent study with the parent as teacher (FHA) or daily virtual instruction with a classroom teacher (FVA). We welcome parent communication, and visits to our program offices (FHA at La Paloma/ FVA at Maie Ellis). Annually we offer parent-teacher-student conferences, office hour appointments with the advisory teacher or classroom teacher, and participation in our School Site Council and English Learner Advisory Committee meetings. A parent and family engagement calendar of events is offered by each program, along with LCAP Input opportunities. We offer opportunities for parents to participate in parent workshops, and engage with their student's program. For more information regarding parent involvement opportunities please contact the site administration or your child's teacher.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Each Fallbrook Union Elementary School District site completes a Comprehensive School Safety Plan (CSSP), including a disaster preparedness plan annually. School administrators work closely with local law enforcement, fire department and/or the Provost Marshall's Office on Camp Pendleton who review the plans and also participate in emergency drills, provide feedback, attend site and district safety meetings and collaboratively help to improve overall campus safety, climate, and security. Copies of the Comprehensive School Safety Plans are available for review at each school office. The plan includes emergency procedures for school safety, natural disasters, and campus intruders. It also contains appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety. Students, teachers, and staff are trained to prepare for a wide range of emergency situations, and frequent drills help to refine emergency skills, policies, and procedures at all school sites. Following each drill, specific and intentional feedback is sought from all participants to continually improve emergency procedures, and improve campus safety.

School and district administrators immediately investigate threats of harm. Teachers and administrators seek to foster lines of open communication so students and parents feel comfortable reporting inappropriate activity including bullying, harassment, or threats. All FUESD staff take a strong stand against threatening behavior or bullying and investigate complaint matters fully. Many positive programs exist districtwide to enhance and continually improve school culture and climate, including Positive Behavior Intervention and Support, Restorative Practices, Suicide Prevention, Anti-Vaping Education and Trauma-Informed Practices.

Finally, every school site and the district office have developed safe reopening plans to address the COVID-19 pandemic and can be found on the district website at <http://www.fuesd.org>. Plans were developed in consultation with the County of San Diego Health and Human Services Agency, Public Health Services, and is based on the guidance articulated by the California Department of Public Health in its COVID-19 Industry Guidance: Schools and School Based Programs. The plans outline general health and safety measures, practices to promote healthy hygiene, cleaning, disinfection and ventilation procedures, social distancing measures, and staff training. Use of these plans demonstrate compliance with the county public health order and may change based on guidance from public health.

When the staff and families from FHA or FVA are on their program campuses they are to adhere to that location's CSSP plan. The Fallbrook Homeschool Academy students and staff are included in the La Paloma Elementary CSSP and the Fallbrook Virtual Academy students and staff are included in the Maie Ellis Elementary CSSP. Both programs at their physical locations work collaboratively to meet student, staff, and community safety needs.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.6	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	3	10

The 2020-21 school year was a particularly challenging year, due to the COVID-19 pandemic and school closures. Professional development (PD) priorities shifted and the delivery model of PD needed to be modified. FUESD continues to provide research-based professional learning to support the effective implementation of standards-based curriculum, instruction and assessment. During the 2020-21 school year, all teachers continue to be supported in their effective discernment in applying the District's instructional framework which encompasses Direct Interactive Instruction (DII), the 5 Es (Engage, Explain, Elaborate, and Evaluate) Model of Instruction and Project Based Learning (PBL). All teachers are supported in their implementation of new supplemental curriculum, Lingual Learning, to teach English Language Development (ELD). All teachers have attended standards-based training in California State Standards Mathematics and English Language Arts. Every school site also developed site-specific professional growth plans that are aligned with the FUESD Blueprint for Student Success 3.0. Each Friday is a shortened school day devoted to structured teacher collaboration and planning. All teachers and classified staff have been trained in the District's student and adult leadership initiative, The Leader in Me, based on Stephen Covey's work in developing the "7 Habits of Highly Effective People." Staff members attend training outside of the district facilitated by highly trained and respected professional educators to support the effective implementation of instructional initiatives. During the 2020-21 school year staff attended professional development in the areas of Mathematics Conceptual Understanding, STEM, English Language Development, Data Analysis and online Distance Learning tools and instructional strategies. It should be noted that Professional Development was offered virtually during the 2020-21 school year.
