2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Fallbrook Virtual Academy (FVA) provides two at-home educational learning options for the Fallbrook Union Elementary School District community. Our programs provide state-of-the-art online learning experiences as an alternative to classroom learning. These programs offer a tailored home-based learning program to fit both the student and their family's lifestyle.

FVA offers 100% home-based K-8th grade learning. This program offers a consistent daily schedule with teacher interactive instructional blocks. We offer live online teaching daily while providing learning materials to support independent work/or hands-on learning experiences in the home. FVA offers academic excellence by empowering students to take ownership of their academic achievements and encourages them to develop a curiosity that will lead them to a lifetime of learning. It is a place that embraces students who do not need to wait until they are adults to be leaders and focuses on creating a student-centered online environment that allows them to make real-world connections. At FVA, we have identified three priorities that are woven into every action, every calendar, and every lesson: connection, communication, and community.

Mission Statement

The mission of the FVA is to provide educational alternatives through a professionally supported independent study program. We believe all students can learn and we provide educational options tailored to the needs of the families and students in our community. We are dedicated to providing opportunities for students to achieve academically and socially thus enabling them to become lifelong learners and responsible members of an ever-changing society.

FVA Mission Statement

The mission of the Fallbrook Virtual Academy is to maintain a safe, respectful, and nurturing virtual classroom environment focused on maximizing student well-being and the acquisition of skills for life and learning.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	0.00
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbooks are recommended by District academic committees which have representation from all school sites. A public review of proposed adoptions is advertised, and community members are invited to participate in this process. All students are assigned adopted textbooks. In Fallbrook Union Elementary School District each pupil, including English learners, has access to his or her own copy of the standards-aligned textbooks (approved by the State Board of Education) and instructional materials in the core curriculum areas of reading/language arts, math, science, and history-social science to use in class and to take home. All textbooks are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Visual and performing arts are taught to all students through integrated lesson plans during regular curriculum instruction, as well as outside contractors.

School Facility Conditions and Planned Improvements

Fallbrook Virtual Academy is housed at La Paloma Elementary School. All classrooms, library, office and staff lounge have upgraded technology and internet access. The Facilities Department has systems in place to maintain a safe and orderly campus. Detailed cleaning schedules as well as major maintenance life cycle plans for items such as hvac, roofs, flooring and mechanical systems are utilized. HVAC systems are well maintained with regular filter changes. District maintenance staff ensures that the maintenance necessary to keep the school in good repair is completed in a timely manner. A Facilities Management system has been upgraded and is used to ensure safety related repairs are given high priority. A facility assessment is done annually to identify and prioritize potential facility improvements. All areas of deficiency listed below have been corrected or remedial action is planned.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	29	16	33	36	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Fallbrook Virtual Academy is committed to working with our parents to extend and enrich the school experience for all students. We believe in providing parents and families with regular communication through our school website, Peachjar flyers, "all calls," social media feeds, and teacher office hours. As a school that offers an independent study - homeschool program, parents are an integral part of the school, as they are responsible for the home learning environment and instructional support. We welcome parent communication, and online visits with our team. Annually we offer parent-teacher-student conferences, office hour appointments with the teacher, and participation in our school meetings. A parent and family engagement calendar of events is offered along with LCAP Input opportunities. We offer opportunities for parents to participate in parent workshops, and engage with their student's program. For more information regarding parent involvement opportunities please contact the site administration or your child's teacher.

2023-24 School Safety Plan

Each Fallbrook Union Elementary School District site completes a Comprehensive School Safety Plan (CSSP), including a disaster preparedness plan annually. School administrators work closely with local law enforcement, the fire department, and/or the Provost Marshall's Office on Camp Pendleton who review the plans and also participate in emergency drills, provide feedback, attend site and district safety meetings, and collaboratively help to improve overall campus safety, climate, and security. Copies of the Comprehensive School Safety Plans are available for review at each school office. The plan includes emergency procedures for school safety, natural disasters, and campus intruders. It also contains appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety. Students, teachers, and staff are trained to prepare for a wide range of emergency situations, and frequent drills help to refine emergency skills, policies, and procedures at all school sites. Following each drill, specific and intentional feedback is sought from all participants to continually improve emergency procedures, and improve campus safety.

School and district administrators immediately investigate threats of harm. Teachers and administrators seek to foster lines of open communication so students and parents feel comfortable reporting inappropriate activity including bullying, harassment, or threats. All FUESD staff take a strong stand against threatening behavior or bullying and investigate complaint matters fully. Many positive programs exist districtwide to enhance and continually improve school culture and climate, including Positive Behavior Intervention and Support, Restorative Practices, Suicide Awareness and Prevention, Anti-Vaping Education, and Trauma-Informed Practices.

FUESD has taken a proactive approach to increasing safety and promoting a positive climate. We have invested in additional School Counselors, School Social Workers, and School Psychologists who implement our social-emotional learning program, address student engagement and chronic absenteeism, and provide mental health assessments and support.

The Fallbrook Virtual Academy students and staff are included in the La Paloma Elementary CSSP. When the staff and

Professional Development

Leading up to the 2023-24 school year, FUESD offered an array of professional development opportunities for teachers and staff in both in-person and virtual formats. Professional development (PD) priorities included the expansion of the Transitional Kindergarten, comprehensive early literacy skills, math strategies, and training for the Character Strong program for new employees. FUESD continues to provide research-based professional learning to support the effective implementation of standards-based curriculum, instruction, and assessment with a focus on the district-adopted curriculum and Tier 1 strategies. All new teachers and classified staff were trained in the District's student and adult leadership initiative, The Leader in Me, based on Stephen Covey's work in developing the "7 Habits of Highly Effective People." The Educational Services department also provided PD in the areas of Mathematics Conceptual Understanding to enhance math instruction and orient to newly-updated unit assessments, Project Based Learning, English Language Development, Data Analysis, and effective use of materials to address student goals. Funds were also allocated to allow each school site to personalize professional development opportunities in alignment with the school's plan for student achievement.
