THIS AGREEMENT, made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2025, by and between the Fallbrook Union Elementary School District, San Diego County, California, hereinafter called the District and \_\_\_\_\_, hereinafter called the Contractor.

  - Special Conditions
  - RFP Form
  - Agreement
  - Contractor's Certificate Regarding Workers' Compensation
  - Non-collusion Affidavit
  - Addenda Numbers \_\_\_\_\_

Any and all obligations of the District and the Contractor are fully set forth and described therein or are reasonably inferable that any work called for in one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in said documents. In the event of conflict, this Agreement shall prevail. The documents comprising the complete contract are sometimes hereinafter referred to as the Contract Documents, or the Contract.

2. TERM OF AGREEMENT: The period of the performance under this Contract will be for twelve (12) months, August 1, 2025 through July 31, 2026.
3. TERMINATION FOR DEFAULT: If the said Contractor fails or neglects to supply or deliver any of said service at the agreed upon prices and at the times and places above stated, the District may cancel and rescind this contract after Contractor's failure to cure. The forgoing provisions are in addition to and not in limitation of any other rights or remedies available to the District.
4. TERMINATION OF CONTRACT FOR CONVENIENCE: Either party may terminate this Contract at any time and for any reasons by giving written notice to the non-terminating party of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of such

termination. Contractor shall be entitled to receive compensation for any satisfactory work completed up to the date of termination and for satisfactory work completed between the receipt or issuance of notice of termination and the effective date of termination pursuant to specific request by District for the performance of such work.

5. CONTRACT SUSPENSION: The District reserves the right to suspend a Contractor for a period of three months, with a maximum suspension of six months for excessive equipment failure and/or breakdown.
6. LIQUIDATED DAMAGES: The District shall issue to Contractor a five (5) business day notice to cure. If Contractor's failure is not cured within five (5) business days, the Board shall assess liquidated damages. In the event Contractor does not cure, the Fallbrook Union Elementary School District shall hold the Contractor liable and responsible for all damages that may be sustained because of their failure to comply with any conditions herein. If the Contractor fails to furnish or deliver any material, supplies, equipment, or services at the prices quoted, or at the times and places stated, or otherwise fails to comply with the terms of the documents in their entirety, the Fallbrook Union Elementary School District may purchase the items herein specified elsewhere, without notice to the Contractor.

When, in the opinion of the District, the vendor, at any time during the period of this contract, fails to perform satisfactorily the work required under this contract, or otherwise fails to comply with the terms of this contract the District may withhold progress payments or end of the month payments or both. Said payments may be withheld until the vendor satisfies the District that service was rendered and satisfactory to the contract.

The District reserves the right to assess against the vendor as liquidated damages a sum for late service. Late service is defined as service provided that is more than fifteen (15) minutes but less than forty-five (45) minutes outside of schedule. The sum shall not exceed sixty percent (60%) of the full charge for the assigned trip(s). If the Contractor is more than forty-five (45) minutes late for departure, the District may, without further notice, secure the service elsewhere and assess the full charge for the assigned trip as liquidated damages.

If the Contractor fails to furnish transportation when requested under the terms of this contract, the Contractor will be liable for any pecuniary loss suffered by the District due to Contractor's non-performance. Losses include, but are not limited to, the cost above the contract price of obtaining or furnishing substitute transportation. In the event substitute transportation is furnished by the District, the vendor agrees to be liable for the wages of the District

employee(s) used in furnishing such substitute transportation and a reasonable rental value of the District vehicles and any other loss suffered by the District because of the Contractor's non-performance.

In the event Contractor agrees to any increase or decrease in service levels, Contractor shall be afforded a period of five (5) business days following implementation of such changes during which time no liquidated damages may be assessed with respect to scheduled drop-off times or availability of buses on routes, while Contractor makes operational adjustments to meet District requirements.

7. PRICE INCREASE: Any price increase will be reviewed and evaluated based on recognized indicators, such as the Consumer Price Index (CPI) or Producer Price Index (PPI). These indicators will be used to test the reasonableness of price escalation. Proposer will implement no changes to prices without the consent of the Assistant Superintendent of Business Services. Approved rate increases will be effective upon successful contract renegotiation. In the event price adjustments are inconsistent with market conditions and/or not accepted, the Fallbrook Union Elementary School District may award the line item(s) originally awarded to the Contractor to the next lowest bidder or may rebid.
8. TRIGGER TO RENEGOTIATE: In the event forces outside the control of Contractor, this Agreement may be renegotiated. Such events include, and are limited to, new local state and/or federal mandates (e.g. vaccination mandates), new vehicle equipment requirements, fuel, wages, and labor shortage.
9. EXTRA AND/OR ADDITIONAL SPECIFICATIONS AND CHANGES: Should the District at any time during the performance of the contract, request any alterations, deviations, additions or omissions from the Specifications or other Contract Documents, it shall be at liberty to do so, and the same shall in no way affect or make void the Contract, but the cost will be added to or deducted from the amount of said Contract price, as the case may be by a fair and reasonable valuation.
