RFP #431-25-26

Access Points – Network Switches – Firewall

ADDENDUM #2

This Addendum #2, forms a part of the Request for Proposal and modifies the original proposal documents. Please include a copy of this signed Acknowledgement in the submitted RFP. Failure to do so may subject the bidder to disqualification.

Request for Information:

1. Why do the licenses not match the new APs, do the 500+ include the 410 new APs?

Response: In addition to a license for each of the 410 APs being purchased, we need to renew licenses for existing APs that are not being replaced.

2. Do the rest of the switches need to be replaced:

Response: No, we are already in the process of getting them swapped out. The switches listed are for the IDF's that cannot fit a full-size switch.

3. Does every School have summer school?

Response: No, not all schools have summer school.

4. Any popcorn ceilings?

Response: No, not to my knowledge.

5. E-Rate rep and company?

Response: Lehna Markarian, CSM

By submitting this RFP, vendor acknowledges and approved the terms and conditions established by the District in this RFP. These terms and conditions may not be altered by the vendor, either by the terms of the proposal or by any acknowledgement or attachment.
