Please Read:

1. An application must be filled out for each student.
2. Parents/Guardians are advised the District does not supervise bus stops and is not responsible for the control and conduct of the students at bus stops. Parent/Guardians are encouraged to supervise their students until they safely board the school bus.
3. Parents/Guardians are required to follow the Must Be Met protocol for all Transitional Kindergarten and Kindergarten students.
4. I understand my child must present a valid bus pass each trip. I will review the Safe Walking Tips and Rules of Bus Conduct with my child so they understand their responsibility.

I understand persistent failure to show a bus pass will cause refusal of transportation to my child. I have reviewed the rules above with my child and he/she understands his/her responsibility.

FALLBROOK UNION ELEMENTARY SCHOOL DISTRICT

Dear Parents and Guardians,

As we prepare for the 2026-27 school year, the Fallbrook Elementary School District is working towards providing transportation services. The transportation department will be accepting bus pass applications for the next school year. We are asking all new and returning students to complete a Bus Pass Application and return by May 29, 2026.

The district plans to offer transportation services for students residing beyond a 1-1/2 mile radius from home residence to school site. Eligibility is determined based on the student's home address. There is no fee for transportation services. Eligible bus riders will receive a bus pass prior to the start of the school year on August 10, 2026. Bus passes will be mailed to the student's home address, along with the bus Transportation Safety Rules, a diagram of the school bus loading and unloading danger zones, and a School Bus Safety Supplement. We ask parents and students to familiarize themselves with this information. If you do not receive your child's bus pass by July 24, 2026, please contact the Transportation Department. Special education students who require transportation per their individualized Education Plan (IEP) are exempt from this process.

The safety of our students and staff remains our top priority. The Transportation Department will continue its operations in compliance with California Department of Public Health (CDPH) guidelines. Our protocols for school bus transportation may change if we receive updated guidance from CDPH. Thank you for your patience. We look forward to safely transporting our students!

Applications may be submitted to the bus driver, emailed to Twald@fuesd.org or Kcohee@fuesd.org, mailed or delivered to the Transportation Department located at 825 Winter Haven Rd. Fallbrook, CA 92028. If you have any questions, please contact the Transportation Office at (760) 723-7075.

With Gratitude,

FUESD Transportation Team

FALLBROOK UNION ELEMENTARY SCHOOL DISTRICT

Estimados Padres y Tutores:

Mientras nos preparamos para el año escolar 2025-26, el Distrito Escolar de Fallbrook Union está trabajando para proveer servicios de transporte. El Departamento de Transporte estará aceptando solicitudes de pase de autobús para el próximo año escolar. Estamos pidiendo a todos los estudiantes nuevos y que regresen a llenar una Solicitud de Pase de Autobús y la devuelvan antes del **29 de mayo de 2026**.

El Distrito ofrece servicios de transporte para los estudiantes que residen más allá de milla-y-media a la redonda (radio) de su residencia a su sitio de escuela. Elegibilidad se determina según el domicilio del estudiante. No hay ninguna cuota para los servicios de transporte. Los estudiantes elegibles recibirán un pase de autobús antes del inicio del año escolar el 10 de agosto de 2026. Pases de autobús serán enviados a la dirección listada en el sitio de la escuela, junto con las reglas de seguridad del autobús, un diagrama del autobús escolar indicando las zonas de peligro de carga y descarga, y el Suplemento de Seguridad de Autobús Escolar. Los padres y los estudiantes deben familiarizarse con las reglas de seguridad en un esfuerzo para mantenerse informado y asegurar un viaje seguro. Si no recibe el pase de autobús para su estudiante antes del 24 de julio de 2026, póngase en contacto con nuestro departamento. Estudiantes de educación especial que requieren transporte según su Plan Individualizado de Educación (IEP) están exentos de este proceso.

La seguridad de nuestros estudiantes y personal sigue siendo nuestra prioridad. El Departamento de Transporte continuará sus operaciones de conformidad con las directrices del Departamento de Salud Pública de California (CDPH). Nuestros protocolos para el transporte en autobús escolar pueden cambiar a medida que recibimos orientación actualizada del CDPH. Gracias por su paciencia mientras navegamos estos tiempos sin precedentes. ¡Esperamos transportar a nuestros estudiantes de forma segura!

Las solicitudes pueden ser entregarse al conductor del autobús, enviadas por correo electrónico a KCohee@fuesd.org / Twald@fuesd.org, enviadas por correo o entregas al Departamento de Transporte situado en 825 Winter Haven Rd. Fallbrook, CA 92028. Si tiene alguna pregunta o inquietud, comuníquese con la Oficina de Transporte al (760) 723-7075

Con gratitud,

El Equipo de Transporte de FUESD
