

# FALLBROOK UNION ELEMENTARY SCHOOL DISTRICT

July 2026

Dear FUESD Families,

Registration and student data confirmation for the 2026–27 school year is now open and must be finalized before the **first day of school on August 10, 2026**. Each year, all parents and guardians must complete this process through the **Aeries Parent Portal**, and we strongly encourage families to do so as soon as possible. This step ensures that the district has your most current contact information on file and that you have had the opportunity to review the legally required annual notifications. Please note that the registration process must be completed separately for each child enrolled in the Fallbrook Union Elementary School District.

### **Continuing FUESD Families**

If your child is currently enrolled in a FUESD school, log in to your existing Aeries Parent Portal account using the link below and follow the prompts to complete the student data confirmation. If you have forgotten your login credentials, click “Forgot Password?” on the portal login page to reset your password.

### **New FUESD Students**

If your child is enrolling in the FUESD for the first time, an email was sent to the address you provided during online enrollment. That email contains your student’s **Permanent ID number and a unique verification code**. You will need both pieces of information to create your Aeries Parent Portal account and complete registration.

If you need assistance with the registration process, **school offices will be open beginning July 14**. You are also welcome to contact the Student Services Department directly at (760) 731-5442 or by email at [rcalderon@fuesd.org](mailto:rcalderon@fuesd.org)

We look forward to another wonderful year with our students and families. Thank you for your continued partnership in your child’s education.

Sincerely,
